

## VIRGINIA GROWN PASSPORT TO GREAT PRIZES

Here is your passport to fresh, outstanding Virginia Grown fruits, vegetables, herbs, dairy products, meats, eggs, plants, and more. Visit the farms and farmers' markets listed below to pick-your-own and select-your-own farm products, meet the farmer who produced them, and enjoy a variety of festivals, special events, farm tours and activities.

Take this passport as you travel around the state. When you visit one of the participating locations, ask a staff member to place a Virginia Grown sticker on the appropriate square of your passport. If you visit five or more different passport locations before January 15, 2006, you can receive a special Virginia Grown item and you will be eligible for the grand prize drawing.
